

# Establish a Living Legacy

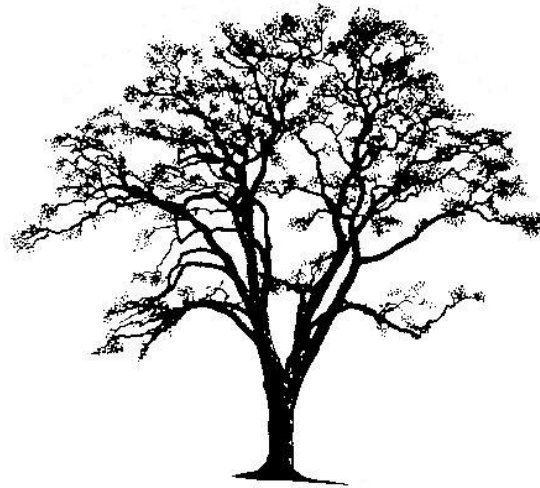

Westport's Tree Board is dedicated to the restoration and renewal of our town's desirable trees so that the urban forest we have inherited may be preserved and enhanced for future generations.

The Board is currently implementing a landscape plan for Winslow Park. With the support of two grants from America the Beautiful and substantial help from the Parks Department, many trees have already been planted. Plans are also in the works for landscaping the new Longshore Pavilion. We have two plantings: spring and fall.

If you want to become part of this community effort, you can contribute in one or more of the following ways:

1. Donate a tree, selected from the landscape plan to commemorate a special event such as a birth, graduation, or anniversary or as a memorial. The cost of a tree donation — \$150, \$500 or \$1000, depending on size and species — covers the purchase of the tree, its planting and a two year guarantee. Donors will receive a certificate suitable for framing and be included in the Give a Tree Register in Town Hall.
2. Contribute any amount toward the purchase of trees or shrubs from the plant list in the landscape design.
3. Volunteer to join the Tree Care Crew whose members monitor watering, spread mulch and weed around trees.

The landscape plan and tree list are available for inspection at [www.westportct.org](http://www.westportct.org) or in the Parks and Recreation Department. If you would like to discuss your participation, please contact Diane Cady @ 227 1444 or Kitty Graves @ 227 0506.

*The true meaning of life is to plant trees, under whose shade you do not expect to sit.*

*Nelson Henderson*
